

## Brief Report on Invited Talk

The Department of Physics, Madhabdev University, organized an invited talk on “*Exploring Research Opportunities in Physics*” on **2nd April, 2026** at **2:00 PM** in **Room A001**.

The session was delivered by Dr. Swaraj Pratim Sarmah, Post-Doctoral Fellow at Indian Institute of Technology Guwahati. The programme commenced with a welcome address by Dr. Dhruva Jyoti Gogoi, who greeted the attendees and formally introduced the speaker. The Head of the Department, Dr. Arindam Phukan, also addressed the gathering and extended his welcome. In his remarks, he emphasized that this lecture marks the beginning of a series of academic talks to be delivered by students, research scholars, faculty members, and invited experts, primarily focusing on ongoing research in various domains of Physics.

The programme was attended by faculty members including Dr. Lakhinath Bora, Dr. Sudipta Hazarika, Dr. Bichitra Bijoy Baruah, and Dr. Jyatsnasree Bora, along with research scholars and students, who actively participated in the session.

In his lecture, Dr. Sarmah provided an insightful overview of current research trends in physics, opportunities for higher studies, and career pathways in scientific research. The session was followed by an engaging interaction, where participants discussed various aspects of research, academic preparation, and future prospects.

The session concluded with a formal vote of thanks delivered by Dr. Dhruva Jyoti Gogoi, who expressed gratitude to the speaker for his enlightening talk and acknowledged the participation of faculty members, research scholars, and students.
